About MAP Lab

MAP Lab is a mission-driven organization focused on wealth creation for underrepresented businesses by facilitating mergers and acquisitions and delivering strategic growth services. By connecting entrepreneurs with resources, financial tools, and expert guidance, MAP Lab reduces barriers to entry and creates clear pathways to sustainable expansion. Bringing together a network of seasoned professionals, strategic partners, and tailored services, MAP Lab empowers businesses to grow, scale, and leave a lasting impact on their communities.

Why Mergers & Acquisitions

- **Generational Ownership Shift** - \$10T in potential business transfers
- **Operational Leverage**- Instant access to systems, staff, and customers
- **Scalable wealth creation** - Build equity faster through acquisitions
- **Proven Model for Big Growth** - fastest path to scale in any industry
- **De-risked Expansion** - Lower risk than launching from zero
